2.0 RULES AND REGULATIONS

2.1 Application of Tariff

- 2.1.1** This tariff contains the regulations and rates applicable to intrastate long distance resale telecommunications services provided by Zone for telecommunications between points within the Commonwealth of Kentucky.
- (A) The Company may, from time to time, offer various enhanced services and information services within the Commonwealth of Kentucky. Such services will be provided pursuant to contract and will not be governed by this tariff.
- (B) The Company may also, from time to time, offer switching and/or transmission to other telecommunications carriers, for resale to such companies' customers. The rates for any such services will be determined pursuant to contract, and Section 4 of this Tariff will not apply thereto.
- 2.1.2** The services of Zone are not part of a joint undertaking with any other entity providing telecommunications channels, facilities or services, but do involve the resale of the Message Toll Services (MTS) of underlying common carriers.
- 2.1.3** The rates and regulations contained in this tariff apply only to the services furnished by Zone and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carrier for use in accessing the services of Zone.

2.0 RULES AND REGULATIONS (continued)

2.3.7 Zone Telecom, Inc. shall not be liable to any customer, authorized user or third party for failures caused by the transition to the Year 2000. Zone has, and will continue to make diligent efforts to ensure that our customers receive the services specified in this tariff before, during and after the Year 2000. Due to Zone's reliance on the equipment and facilities of other companies and their processes, Zone shall not be held responsible for damages of any nature, including consequential damages, due to, but not limited to, failures or interruptions to systems, switches, transmission facilities, computers and related equipment maintained by, provided by, or operated by either Zone or other third parties, including, but not limited to underlying carriers, local exchange companies, customers and other competitors. Information contained on Zone's Internet website and/or information provided to parties upon request regarding the Year 2000 readiness of products and services offered by Zone are "Year 2000 Readiness Disclosures" as defined by the Year 2000 Information and Readiness Disclosure Act of 1998 (Public Law 105-271, 112 Stat. 2386, a U.S. Statute) enacted on October 19, 1998.

2.3.8 The carrier is not liable under any circumstance for any act, omission, error, mistake, or delay associated with any representations or statements it may make (including materials posted on websites) regarding the services, offerings, promotions, rates, discounts, terms or conditions of underlying service providers, local exchange carriers, or connecting carriers.

2.0 RULES AND REGULATIONS (continued)**2.4.5**

The Customer shall ensure that the equipment and/or system is properly interfaced with Zone facilities or services, that the signals emitted into the Zone network are of the proper mode, bandwidth, power, and signal level for the intended use of the Customer in compliance with the criteria set forth in this tariff, and that the signals do not damage equipment, injure personnel, or degrade service to other Customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, Zone will permit such equipment to be connected with its channels without the use of protective interface devices.

If the customer fails to maintain the equipment and/or the system properly, with resulting imminent harm to Zone equipment, personnel, or the quality of service to other Customers, Zone may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, Zone may, upon written notice, terminate the Customer's service.

2.0 RULES AND REGULATIONS (continued)

2.5.2 Unless otherwise stated, Zone will provide ten (10) days advance written notice of termination of service.

2.5.3 Service may be immediately discontinued by Zone, without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using a call screening method which generates a network message not allowing calls to complete, when Zone deems it necessary to take such action to prevent unlawful use of its service or if a dangerous condition exists. Zone will restore service as soon as it can be provided without undue risk.

2.6 Contested Charges

For consideration of any disputed charge, a Customer must advise Zone that all or part of charge is in dispute by written notice, in person or by telephone, within 30 days of the date the bill is issued. The Customer must provide the call details and the bases for any requested adjustment. Zone will promptly investigate and advise the user as to its findings and disposition. The Company does not require a deposit from the Customer.

2.8 Taxes

All state and local taxes (e.g., gross receipts tax, sales tax, municipal utilities tax) are billed separately from the quoted rates.

2.9 Late Fee

Zone charges a late fee of 1.5% on delinquent accounts. Additional late fees will not be assessed upon unpaid late fees.

2.10 Payphone Use Surcharge

An undiscountable payphone use surcharge of \$.35 shall apply to each coinless call which Zone can identify as being placed from a domestic payphone by or to the customer or its permitted user. This includes, but is not limited to, calls placed with a Zone calling card, pre-paid calling card, collect calls and calls placed to 800 numbers. This charge is in addition to standard tariffed usage charges and is for the use of the payphone instrument to access Zone's service.

2.11 Customer Bills

Each bill for telephone service will clearly state Zone Telecom's name as service provider as well as a toll-free number for customers to contact Zone Telecom. Each bill will also include the total amount due; the services provided; the date, time and duration of each call; all taxes and surcharges; and any adjustments.

PURSUANT TO 807 KAR 5.011.
SECTION 9 (1)

BY Stephen Bell
SECRETARY OF KENTUCKY P.S.C.

3.0 DESCRIPTION OF SERVICE OFFERED

3.1 General

Service is offered to business Customers and is available on a presubscription basis from equal access originating end offices only. When a Customer elects to use Calling Card service, calls may be initiated from any location from which the caller can dial the appropriate access codes.

3.2 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call. The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. Zone uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape and NECA Tariff FCC No. 4.

FORMULA:

$$\sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

3.0 DESCRIPTION OF SERVICE OFFERED (continued)**3.3 Timing of Calls**

3.3.1 Long distance usage charges are based on the actual usage of Zone's network. The Company will determine that a call has been established through industry standard answer detection methods, including hardware answer detection.

3.3.2 Chargeable time for a call ends upon disconnection by either party.

3.3.3 For billing provided directly by Company, the minimum call duration and initial period is 18 seconds for all intrastate direct dialed calls unless otherwise specified by this tariff. For billing provided directly by Company, the additional period is measured and rounded to the next higher 6 second increment unless otherwise specified by this tariff.

3.3.4 For billing provided by the Local Exchange Carrier of the Customer, the minimum call duration and initial period is 60 seconds (1 minute) and the additional period is measured in 60 second (1 minute) increments.

3.3.5 No charges apply for incomplete calls. If a Customer believes he or she has been incorrectly billed for an incomplete call, the Company will, upon written notification, investigate the circumstances of the call and issue a credit when appropriate.

Zone Telecom Teleconference Service provides communications between two or more stations connected to an audio bridge with the assistance of a teleconference operator.

2. BILLING

Charges accrued by using teleconference service are billed to the telephone number of the originator of the conference call or billed to another number, if it is acceptable to that party.

3. TIMING OF CALLS

3.1 Chargeable time of a conference call begins when all participants are connected and ends for each individual station when that station disconnects.

3.2 Chargeable time for ports joining the conference call already in progress begins when they are connected by a teleconference operator.
